

 **REDI**SERVE****®

food trays and clams

# REDISERVE® range

RediServe® food trays and clams make it easy for foodservice professionals to quickly package and present takeaway foods.

**White trays are poly-lined to resist liquid & grease**

**Brown kraft trays and clams are made from heavy gauge paper board for greater strength and rigidity**

**Recyclable**

**Pre-assembled for speedy service**

**Made from sustainably sourced, high quality food-grade paper board**

**Australian made in HACCP certified facilities**

If you need a mobile takeaway solution, but want to save on cost, pair your tray with one of our paper bags!
