

Single Wall Paper Hot Cups

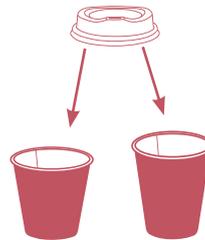

classic lid system

The range of slim-profile single wall cups caters to cafés and restaurants who prefer the classic two-lid system for easy size identification when serving customers. The inclusion of a 6oz cup follows the trend towards smaller coffees that allow baristas to maintain flavour consistency across dine-in ceramic cups and takeaway paper cups.

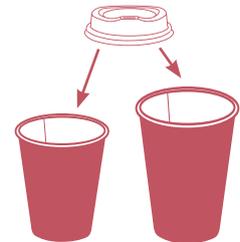

classic lid system

one lid for small cups

6oz 8oz

one lid for large cups

12oz 16oz

BRAND builders®

Custom printing available

Our 6oz cup allows you to create the same flavour profile across dine-in and take-away coffees
